Grand Prix de Clermond-Ferrand 1991

Nomination Césars 1991

SUMMARY

The first thing to know is that Dieppe is on the sea. It is very rare not to see the sea when you are in Dieppe. Only a loser can fail to see the sea at Dieppe. Bibi, our hero, has all the characteristics of a loser: He looks like a loser, feels like a loser and acts like a loser. Life always spared him the pangs of happiness.
