visa # 19 169

Participation au XVI Internationale Westdeutsche Kurzfilmtage, Oberhausen 1970.

Selection officielle au 11e Festival international du Film d'Edinburgh (1957)

## SUMMARY

An evocation of autumn in Paris: streets, markets, parks such as the Jardin des Plantes and the Jardin du Luxembourg, strewn with fallen leaves, where, after school children, but also old men and young couples, come to enjoy the last rays of sunshine. Paris in November is also synonymous with chestnuts, small game, as well as the chrysanthemums that inaugurate the month of November.
