

Lumière

Lumière

Documentary - 1968 - Black & White

Director : **Marc ALLÉGRET**

59 minutes

Production : **Les Films de la Pléiade**

visa # 32 573

SUMMARY

Cinema has somewhat lost the memory of its origins. The glory of Méliès overshadow all that is owed to the Lumière Brothers. They not only invented a camera, they also created cinema itself. They succeeded in making a living documentary of an epoch, the first of its kind and from this embryonic technique they made a major art-form.
