

Paris Photographers

Paris des photographes (Le)

Documentary - 1962 - Color

Director : **François REICHENBACH**

13 minutes

Production : **Les Films de la Pléiade**

visa # 26 830

SUMMARY

Aboard a Cityrama tourist coach, Francois Reichenbach accompanies a couple of tourists on their guided tour of the capital. After visiting the main monuments, the director takes a more subjective approach and films private moments and picturesque scenes of Parisian life as he comes across them. With this film he offers a definitive answer to the question: is Paris a photogenic city?
