## SUMMARY

A young nobleman is called up for military service. His anxious aunt arranged for his valet to enlist in the same regiment at the same time, so that her nephew will want for nothing even there...

**"It's in this film, I think, that we can best see the genius of Renoir's mise en scène(...). At the same time, it's the only truly 'comic' film in [French] silent cinema. "Jean DOUCHET - Les Cahiers du Cinéma.**
